isbn:9780896894839

Machine embroiderers are natural over achievers, and given the nearly endless possibilities for using an embroidery machine it's easy to see why. This book feeds embroiderers' need for more opportunities by exploring the world of blanks with:

advice about where to find blanks, both online and in local shops; tips for choosing threads and stabilizers; insight on placement guidelines of common and unique blanks; and, embroidery techniques for home decor, babies and children and seasonal projects.
