Who doesn't love to watch Antiques Roadshow? "Furniture Restoration" makes it simple to assess and repair favourite pieces, whether they're family heirlooms or flea-market finds. Authors Ina Brosseau Marx and Allen Marx share more than thirty years of experience in all kinds of antique furniture restoration. The first chapter provides an overview of restoration and explains exactly how to tell when a piece is valuable enough to use a professional restorer. The rest of the book guides the reader through furniture restoration and repairs of every kind. It includes over 600 full-colour

photographs and dozens of before-and-after shots.
