This collection will dazzle bead-happy crafters of every level. All the pieces use easy-to-master methods, including wire wrapping, weaving, crimping, stringing, and

stitching, yet they’ re positively boutique-worthy. Basics on the techniques, tools, and materials are thoroughly explained in an introductory section, along with advice on choosing bead combinations and arrangements. Project chapters include bracelets, earrings, necklaces, brooches, rings, and watchbands, and within an hour you can create such jeweled treasures as a Hawaiian Haku bracelet, Tropical Sunshine necklaces, Crystal Chandelier earrings, Pearl Marquise ring, and Red With Envy watch.
