Radical Brewing: Recipes, Tales, and World-Altering Meditations in a Glass Fun and Inspiration for Brewers and Beer Drinkers Alike Radical Brewing takes a hip and creative look at beer and brewing, presented with a graphically appealing two-color layout suitable for the Internet age. From chapters such as "An Embellished History of Beer" to "Big Honkin Brews," and "Building the Buckapound Brewery," it explores the multifaceted delights of drinking and making beer that lure creative, adventurous and fun loving people to the hobby. Informed by the long and colorful history of beer,

Radical Brewing elevates the art of brewing to its proper place alongside science to help unlock the creative spirit in every current or would-be brewer. The engaging tone and visually rich design will make Radical Brewing a "must read" for newcomers to the hobby as well as a source of inspiration for thousands of existing brewers. Anyone who brews beer or drinks it with care will enjoy dipping into the graphically rich pages of Radical Brewing whether for a short sip or a long draught.
