

# 100+ Ideas for Teaching Thinking Skills

[100+ Ideas for Teaching Thinking Skills\\_ 下载链接1](#)

著者: Bowkett, Stephen

出版者: Continuum Intl Pub Group

出版时间: 2007-5

装帧: Pap

isbn: 9780826483102

The new edition will be 20% longer with all ideas tried and tested at the chalk face. The ideas are applicable across the curriculum and range from getting students to understand how they think, to using games and activities to get students thinking.
