著者: Mohr, Stephen/ Woodgate, Scott/ Spotts, Stan

出版者: Macmillan Computer Pub

出版时间: 2007-8

装帧: Pap

isbn: 9780672329258

Microsoft BizTalk Server 2006 Unleashed is your tool to unleash the power of Microsoft's BizTalk Server 2006. Learn how to use the server as an enterprise application integration tool and how to exploit its key strengths. The authors explain

how BizTalk Server Studio can work in conjunction with Visual Studio to orchestrate business processes and create integrated business systems. Numerous examples are provided with detailed, step-by-step configuration instructions. Discussion of programming interfaces explains and amplifies Microsoft documentation rather than just repeating what is available in the online product documentation.
