Best Practice: The Pros on Adobe Photoshop inspires readers to explore the creative process and technical skill behind the work of leading contemporary digital artists. Highlighting skillful digital designers, Best Practice features interviews with the artists and deconstructs individual pieces of their work into how-to steps that readers can experiment with. Full of industry advice and hot techniques, this richly visual four-color book reinforces the key design and illustration principles that every designer needs to know. Best Practice includes an initial review chapter to bring readers up to speed with Photoshop fundamentals to ensure their success with the chapters that follow.
