出版者:Facts on File

出版时间:2003-3

装帧:LIB

isbn:9780791072592

Drugs are everywhere--on our streets, in our homes, and in our schools--but straight

facts about drugs are not. Drugs: The Straight Facts fills this void with candid discussions that emphasize a historical and scientific approach to learning about drugs, their use, and their effect on the user's health. Learn about alcohol's effects on the brain and body--from consumption to absorption and intoxication.
