She needs a man who can see past her carefully regulated exterior. A man who can strip away her control and release her desire. Her best friend, chief of detectives Rocky Delgado, has been carrying a torch for her for years. But he never imagined that good girl Sandy might be the submissive of his wildest dreams. When an unexpected discovery tips Rocky off to Sandy's secret, Rocky uses tender force to prove she can be both loved and Mastered. Choice of Masters by Joey W. Hill Thomas has led his life according to the tenets of chivalry laid out by King Arthur. Now his deepest desires and his unshakable honor have joined in single purpose. His soulmate, Lilith, whom he has met only in dreams, is bespelled by a wizard. For five years she has been forced to exist as Lord Zorac's prisoner in a state of high arousal, unable to gain fulfillment. To free her from her torment, Thomas must perform the sensual Rite of Awakening and convince Lilith to accept his word and hand as that of her true Master. But Lilith's punishment is more than the capricious act of an evil wizard and all is not as it seems... Death Row: The Mastering By Jaid Black August 8, 2250 AD: Abdul Kan is dead. After enduring twenty-five years of a forced polygamous marriage, Nicoletta Kan is free to leave the harem bed and make her own choices. But someone is watching Nica, someone is hunting her like prey. Someone Nicoletta had never thought to see again in her most terrifying nightmare...or her most fevered fantasy.
