What does Santa do with his hard-earned vacation time? The same stuff you would do to relax and have fun?and a whole lot more In this uproarious tale by popular author and Simpsons writer Mike Reiss, Santa recovers from a hectic December by embarking on an hilarious campaign of adventure and self-improvement?from sumo wrestling, to international espionage, to continuing education (including Elf Esteem and Basic Reindeer Labor Laws). But no matter where he goes or what he does, he's still our

beloved Santa Claus, as Michael Montgomery's comically classic illustrations reveal. So, thanks, Santa, for all your hard work. Go ahead and take the year off
