出版时间:2001-11-1

装帧:Paperback

isbn:9780792266976

Sylvia Earle becomes an underwater guide as she shows and talks about some of her favourite fish. Enchanting Gobi's pop out of the ocean, jewel-like dam selfish glimmer in the sea, a silver reef shark smiles enigmatically. Each spread offers a poetic yet factual text about a different fish with a large, brilliantly coloured photograph of that fish. An enchanting introduction to life around a coral reef.
