出版者:Penguin USA

出版时间:2007-5

装帧:HRD

isbn:9780723259268

Even the most hesitant toddlers will look forward to bath time with this new Peter Rabbit bath book. Featuring full-color illustrations of Peter Rabbit and his friends doing all their favorite things, children can read and play with the book in and out of the bathtub. Every page includes original Beatrix Potter illustrations in an eye-catching new style alongside simple text.
