When Azura asks Elina to be her apprentice, Elina can't wait to help! After saving Fairytopia twice, it would be exciting to learn the Flight of Spring, the annual ritual that brings to life the First Rainbow of Spring! But Elina can't afford to make any mistakes. If the ritual is not performed correctly, the land will be forced into a bitter ten-year winter. But while practicing spells, Elina is tricked into releasing Laverna from her toad form. Now Laverna will do anything to stop the Flight of Spring and take over Fairytopia...
