Make beautiful quilts for beautiful babies It's fun and easy with "150 Blocks for Baby" "Quilts," the book that lets quilters at all levels mix and match 150 blocks--colorful patchwork designs, bright geometric patterns, pretty applique designs featuring teddy bears, hearts, flowers, letters, or numbers. Step-by-step instructions and how-to photos guide quilters every step of the way, from choosing the fabrics, to cutting and sewing, to embellishing the finished quilt. Create fun theme quilts, or tessellate for all-over patterns. With these inviting, appealing blocks, it's easy to make quilts for older kids, too--and for young-at-heart friends of all ages. \* 150 colorful blocks to mix and match \* How-to photos explain choosing fabric, cutting and sewing, and embellishing

\* Detailed pictures, lists of fabrics, and instructions for each block
