isbn:9781892127945

This book celebrates scrapbookers who have the courage to tackle honest, raw and realistic subjects, the real life situations that have made them grow as people and artists. "Imperfect Lives" is designed for crafters who want to creatively scrapbook the

realities of life including motherhood, the hard work of marriage, the heartbreak of divorce and the challenges of aging. Inside, readers will discover a wide range of trendsetting, artistic styles from collage to whimsical to graphic, that exemplify the whole range of life experience. With stories and circumstances ranging from profound and compelling to edgy and honest, "Imperfect Lives" revolutionises the art of scrapbooking by offering pages that capture the true essence of real, everyday life.
