

Very Easy Crazy Patchwork

[Very Easy Crazy Patchwork_ 下载链接1_](#)

著者:Barnden, Betty

出版者:Putnam Pub Group

出版时间:2007-3

装帧:HRD

isbn:9780762106714

The comprehensive guide teaches the techniques of crazy patchwork with how-to lessons accompanying each project. Step-by-step photographs show exactly what to do at every stage--by hand or by machine. The choice of fabrics, threads, and personal touches is completely up to the reader.
