With a fun package, bound in "leather", this sexy and campy design is sure to be talked about by hip cutting-edge crafters. Not your mother's knitting book, "DomiKNITrix" is

all about bringing discipline to knitting and then using that discipline to create funky and hip projects that knitters want to wear, use, and give away with pride. Based on the popular Web site of the same name, this book will show hip crafters fun ways to tweak designs and give them a unique edge. More than just a collection of projects, this book gives you all the information you need to become an accomplished knitter in terms of tips, techniques, things to avoid, all in a fun and useful package.
