装帧:Pap

isbn:9781581808407

Scrapbook materials aren't just for scrapbooks anymore. Crafters of all stripes have fallen for the gorgeous patterned papers lining craft-store aisles, and this book features exciting new ways to put those materials to use. Readers will find a wide variety of

gorgeous step-by-step projects to enrich their everyday lives or make special occasions even more memorable. The only problem they'll have is deciding which one to make first!
