Scrapbooking, a billion dollar industry, has people flocking to stores, clubs, classes, and online communities to gather supplies, tips, and ideas for their latest

scrapbooking project. Why? What connection happens when a scrapbooker attempts to capture the small miracles of life in pictures and words? Unique and inspiring, this major resource delves into the spiritual experience that can be found in the process of creating cut-and-paste and digital scrapbook layouts. Weaving the author's own and others' experiences and artwork with the wisdom of spiritual thinkers and hands-on creative projects that reflect basic design principles, it leads the reader on a celebration of the divine connection that scrapbookers can experience. Scrapbookers of all faiths and backgrounds?and of every skill level?will find this book engages them deeply. Hands-on projects allow readers to implement basic design principles as they explore their own spiritual lives. An 8-page color insert displays the fine
