出版者:Scholastic

出版时间:2005-6

装帧:HRD

isbn:9780439725934

This innovative, one-of-a-kind format is like nothing Cartwheel has ever published! Anna Palma's captivating photographs of adorable babies are printed on satiny cloth pages that crinkle when little hands touch them. A sturdy board book border surrounds the photographs. Infants will marvel at the combination of textures and at Palma's engaging, brightly colored pictures. Sweet, simple text describing all the ways that babies play complements this unique format.
