著者:Kuhn, Mike/ Dempsey, Bobbi

出版者:Alpha Books

出版时间:2004-5

装帧:Pap

isbn:9781592572168

For home buyers and home sellers.

Here is the first how-to that addresses the needs of both buyers and sellers, making it the perfect companion to the bestselling *The Complete Idiot's Guide to Buying and Selling a Home*. The buyer will depend on this guide to determine whether a house is worth buying. The seller will need it to determine which repairs are necessary before listing or signing anything. Readers will learn to troubleshoot all areas of a home, including its structure and foundation, windows and doors, plumbing, heating and air conditioning, insulation, electrical systems, and the roof, just to name a few.
