This thorough, no-nonsense business guide helps quilters master the tricky transition from hobby to a profitable, state-of-the-art quilting business. Written by a veteran quilt business expert, this book provides budding quiltmakers with a versatile approach to making money off their creative passion. Whether the goal is general quilting or consulting, writing magazine articles, book publishing, or teaching, this guide lays out a clear plan on how to get there—from the legal groundwork of getting started to the finer points of generating publicity and networking in the wholesale industry.

- For professional quilters, people seeking to start a home-based business, and hobbyists seeking to make money off their creative work
