Providing a new twist on a holiday tradition, this book illustrates how to carve three-dimensional faces and scenes in pumpkins using tools ranging from kitchen knives to carving gouges and chisels. Complete information is provided for getting

started, including an overview of tools and tips for finding the best pumpkin to work with. Step-by-step instructions are detailed for using handy household tools to carve dramatic Halloween figures and using professional tools for creating more elaborate and intricate details. Twenty pumpkin carving patterns are provided and include full-color photographs of each finished carving.
