著者:Falick, Melanie

出版者:Workman Pub Co

出版时间:2005-5

装帧:Pap

isbn:9781579652876

Acclaimed knitting author Melanie Falick travelled thousands of miles and interviewed dozens of knitters, spinners, dyers, and sheep breeders to create this inspiring and

revealing collection of portraits and patterns. With profiles of 38 artisans and farmers, 175 beautiful colour photographs, and 30 original patterns whose difficulty ranges from basic to advanced, from traditional to contemporary, America Knits is the most complete survey yet published on this highly popular and vital art form in America
