出版者:Independent Pub Group

出版时间:2004-11

装帧:Pap

isbn:9780941936835

Virtually every door and drawer variation that a cabinetmaker is likely to encounter is addressed and explained in full color in this comprehensive guide. Designed to provide tips for the professional woodworker as well as inspire the hobbyist, this reference

focuses on basic door and drawer construction, including tips for creating tambour, frame and panel, flat panel, louver, split panel, and coopered doors. A door gallery is included, as are discussions of advanced door and drawer construction, including historical door and cabinet styles, edge banding, and working with solid wood and nonwood composite panels.
