出版时间:1992-4

装帧:Pap

isbn:9780486270821

Give eye-catching flair to your fax messages with these 24 professionally designed fax forms. Rendered in a distinctive style, often reminiscent of commercial art of the

Twenties and Thirties, the forms provide space for a message and the names of addressee and sender. Headings include "Fax Memo," "Fax-o-Matic," "Aero Fax" and more. Just duplicate on any standard copier.
