Every woman is a Queen. So, this royal volume presents more than 35 projects for a proper coronation. Written in the sparkly spirit of celebration, its fabulous creations are adorned with everything from silk flowers to glitter and beads and fashioned from bases made of wire, paper, cardboard, or even a shop-bought headband. Add glamour to girl's night out with glimmering tiaras crafted from salvaged costume jewellery. Make a birthday party unforgettable with a gold filigree crown. Each one is fit for a real princess and appears in a shimmering close-up shot.
