Practical, versatile and great to build, cabinets are one of the most popular of woodworking projects and this book brings you 16 of the best storage-furniture designs from some of the finest woodworkers. With everything from a simple toy chest

and an innovative angler's cabinet, to an elegant cherry china closet - this book delivers plenty of creative solutions for your home storage problems. Plus, there are projects suitable for every woodworking skill level - from the enthusiastic beginner to the seasoned professional. Each project includes detailed plans, expert instructions and helpful tips to ensure that your finished piece looks great and is long-lasting.
