出版时间:2002

装帧:Pap

isbn:9780786710065

Mammoth series regular Mike Ashley (The Mammoth Book of Historical Whodunits, etc.) returns with his latest crime reference doorstopper, The Mammoth Encyclopedia of Crime Fiction. "From cozies to noir," from Harold Adams to Mark Richard Zubro and from Alfred Hitchcock Presents to Year of the Dragon, Ashley compiles clear, educational entries for the felony buff, including a guide to Internet sites and an index of key sleuths and bad guys across the decades.
