'A coherent approach to curriculum, instruction, and assessment in the age of standards-driven education!. It will be an excellent contribution'. - H Lynn Erickson,

Author, "Concept-Based Curriculum and Instruction" (Corwin Press 2002). 'The book builds a bridge of confidence that will convince readers both of the ideas and their own ability to succeed' - David W Champagne, Professor Emeritus, University of Pittsburgh. 'A wonderful and thorough explanation of the Balanced Curriculum' - Michelle Barnea, Educational Consultant, Milburn, New Jersey. The book offers a comprehensive collection of curriculum mapping and assessment tools, including sample lessons, rubrics, planning guides, state-specific examples of implementation; and screen shots from the online database, all illustrating the balanced curriculum process in action.
