Witness the group's formation and the first time they wore catsuits! Get to know the

hunky roadie Alan, their shifty manager Alex and his conniving sister, Alexandria! Travel to Tinseltown as the girls shoot their "first" movie! Help them solve intriguing mysteries and relive the antics that made them the most popular fictional band in comic and cartoon history! From Josie's very first appearance to the day she almost quit the band, this collection of "greatest hits" will be music to your ears!
