Among the landmark occasions in the legendary history of Berkshire Hathaway and its iconic co-leaders, Warren Buffett and Charlie Munger, was a 1996 symposium held in New York at Cardozo Law School. The focus of the symposium was Warren's letters to Berkshire shareholders. The format was a series of panels with two dozen different experts dissecting all the ideas in the letters, about corporate governance, takeovers, investing, and accounting. Intellectual sparks illuminated the two-day affair, which drew unusual press interest for an academic convocation.

While the principal tangible result of the conference was the publication of the international best-seller, *The Essays of Warren Buffett: Lessons for Corporate America*, the transcript of the symposium is now being made available with annotations and updated commentary that show just how timeless the topics are and how venerable the principles Buffett laid out remain. Lawrence Cunningham hosted the event, edits *The Essays*, and now publishes this archival treasure, with current assessments by such luminaries as Robert Hagstrom as well as several participants from the original symposium.

作者介绍:

Lawrence Cunningham's dozen books include *The Essays of Warren Buffett: Lessons for Corporate America*, which Cunningham self-published into an international best-seller translated into a dozen languages, as well as *Quality Investing* (written with portfolio managers at AKO Capital) and *The AIG Story* (written with Hank Greenberg).

Cunningham loves teaching, writing, reading, running, biking, swimming, and spending time with his wife and two daughters, especially at the beach. At George Washington University, he teaches business law to promote deal-making and transaction design that keeps everyone out of court--the last place he believes any business person should be.

An apolitical and accessible sort, Cunningham's writings appear in trade magazines like *Directors & Boards*, university journals like the *Columbia Law Review*, blogs, and mainstream media such as the *Wall Street Journal*, *New York Times* and the *Financial Times*. His books are widely reviewed, including in the *Wall Street Journal*, the *Economist*, the *Financial Times*, the *Los Angeles Times*, the *Times of London*, and *USA Today*.

书评

谴责无良出版商，这本书根本就不是一般所说的《巴菲特致股东的信》（The Essays of Warren Buffett）。本书的真实英文名是The Buffett Essays Symposium，和The Essays of Warren Buffett是两本完全不同的书。
本书如果是古典风的翻译可以叫《巴菲特的<会饮篇>》，如果是...

纸书和kindle电子书的副标题不一样，纸书估计是巴菲特致股东的信加上1996年的这次研讨会的记录，kindle电子书只有1996年巴菲特和芒格参加的一次研讨会的记录和注释。
以下是书中一些内容的摘要，大部分内容是从《编者的话》一章中摘抄的，#是kindle电子书中的页码： 1： 但巴...
