A frenetic mix of samurai honor, base violence, and the blood of beheading, *Samurai Executioner* is not for the faint of heart. For those who love blood and guts crime drama, historical fiction, and brutal action, this is right up your alley. The men who brought you *Lone Wolf & Cub* also created *Kubikiri Asa*, a young ronin samurai who helps keep the peace by putting the fear of beheading into Edo's criminals. But it doesn't always work, and so he has to. Full of squirting blood, fast paced samurai swordwork, and the drama that comes from human corruption, *Samurai Executioner* is like no other classic manga.
