In this powerful follow-up to his action-packed thriller *The Kill Clause*, Gregg Hurwitz, the new maestro of pulse-pounding suspense, ratchets up the excitement with another sensational page-turner featuring Tim Rackley, a driven lawman motivated by honor, morality, and a deep sense of justice. Called back into the fold of the U.S. Marshals Service, Tim is tasked with retrieving Leah Henning, the daughter of a powerful Hollywood producer, from a mind-control cult. As Tim wends his way deep undercover into an insidious operation called *The Program*, he confronts a brand of mind-warping manipulation beyond his worst expectations. Tim becomes enmeshed with a diverse band of characters—from the charismatic, messianic leader T. D. Betters to a cult reject burnout to the intelligent yet highly vulnerable Leah herself—and finds himself caught in a shadowy landscape of lies, manipulation, and terror. At stake: innocent minds—maybe even his own.
