This newest of the Elm Creek Quilts novels continues the series with a tribute to matriarch Sylvia Compson, who surprised her fellow quilters by marrying her longtime sweetheart on a recent holiday. Eager to honor their favorite Master Quilter, the Elm Creek Quilters hasten to stitch a bridal quilt for the newlyweds. Until the time comes to unveil the surprise gift, Sylvia will be the one in the dark. Such little white lies seem harmless enough. But the quilting retreat at Elm Creek Manor thrives on women sharing their creativity, their challenges and their dreams. Somehow, in their race to commemorate in the bridal quilt all they hold dear about Sylvia's wisdom, skill and devotion, her fellow quilters forget to give honesty its pride of place. Just when it seems that the women have everything to celebrate, forces conspire to threaten their happiness and prosperity. Two among them falter in their personal relationships, while another suffers financial problems. As still two others weigh the comfort of the present against dreams of a future far from Elm Creek Manor, closely guarded secrets strain the bonds of friendship with those who may be left behind.
