Every one, it seems to us, has been justified---those who hoped (that is, expected), those who feared, and those who were mainly surprised. "Queen Mary" is both better and less good than was to have been supposed, and both in its merits and its defects it is extremely singular. It is the least Tennysonian of all the author's productions; and we

may say that he has not so much refuted as evaded the charge that he is not a dramatic poet. To produce his drama he has had to cease to be himself.
