Kiss the Year Goodbye New Year's Eve is the time to make a naughty resolution, so shed your inhibitions and indulge in this sultry collection of escapades from four of the hottest writers around. In Brenda L. Thomas's "Every New Year," a shoot-out lands a respected doctor in the hospital with a bad case of amnesia, and in the care of a man too sexy to resist. In "Whatever It Takes" by Tu-Shonda L. Whitaker, a sassy older woman tries to break off her steamy relationship with her best friend's twenty-three-year-old son, but he shows her he's man enough to fulfill her needs. Crystal Lacey Winslow proves you can be "Dangerously in Love" when a prim and proper young woman's wild side takes over after the man she's dating slips up with another woman. In "My Boo" by Daaimah S. Poole, a Philly girl's long-distance boyfriend never has time for her -- not even around the holidays. So when her ex-roommate's latest lover comes knocking, she's ready to get the party started.
