A bomb explodes in the desk drawer of a top TV executive. But was the death trap intended for him or for the man who opened the drawer? Each man had a host of enemies, so was it the ambitious business partner, the jealous wife, the office secretary, or the man with blood on his hands? Nero Wolfe finds himself up to his corpulent neck as he and Archie Goodwin sort their way through secrets, over-the-top ambition, and a long list of suspects to find the truth and the guilty party.
