It is believed that the thief known as Wrexhall's Wraith has stolen a jewel box containing a damaging letter that has to do with a murder, and the king. It is Jack Seward's job to apprehend the thief and recover the letter before it falls into the wrong hands. The danger and thrill of stealing intoxicates the thief, yet there is a purpose behind this dangerous madness. Though well trained and an expert, the thief is caught unaware when the Whitehall Hound makes his presence known. The thief thinks it is rather extreme that the Hound was set on Wrexhal's Wraith just because some aristocrat's jewels and treasures are being stolen. The only thing the Wraith has going is the element of surprise - the thief is a 'she.' Everyone knows Jack by his reputation as

Whitehall's Hound; he is feared and respected. And they know the circumstances of his low birth and deprived childhood, yet he is tolerated by the ton as he circulates in their social circle looking for the thief. He has narrowed the suspects down to four women and when he crosses paths with one woman in particular, he feels the same sexual excitement that he felt when he surprised the thief and she kissed him. Jack is told to get the letter and kill the thief, but his suspicion about her identity will not allow him to carry out his orders because he is drawn to her like a moth to a flame. And later, when he confronts her, she tells him there was no letter in the box. He believes her, but knowing she will be killed regardless, he marries her to protect her. Unless or until the letter is found, her life is in danger. And it takes the old king himself, George III, to put an end to this madness. Though there is no secret as to the thief's identity, the cat and mouse games played are titillating and delicious. The missing letter, the question of it's contents, who has it and the hunt for it make this book quite a thriller. An intoxicating and titillating romance! Connie Brockway takes you high up to the rooftops and deep into the emotions of her wonderful characters! Ms. Brockway writes with passion about passion so effectively, you feel it too! A skillful and talented author, Ms. Brockway and *All Through The Night* are magnificent! The sexual tension is so taut that you as the reader along with the characters beg for it's end. The raw power and sheer strength of the hero is perfectly balanced with the demur and unassuming heroine, and both have keen intelligence as one tries to outsmart the other in an exciting game of cat and mouse. This book is incredible - satisfying - a definite winner and I loved it!Gloria Miller

Product Description

A woman compelled. . .

In the glittering world of Regency England, Anne Wilder played a dangerous game. A widowed lady by day, by night she became a masked thief preying on society's elite. She roved high above London's black rooftops, compelled by phantoms from her past to take ever greater risks. Until her restless spirit led her into Colonel Jack Seward's trap. . . where seduction was her only way out.

A man obsessed. . .

She'd played him for a fool, taking advantage of his hungry response to escape from his clutches. But as Jack hunted for his thief, his heart fell captive to a self-possessed widow. Torn between illicit passion and tender love, Jack is duty-bound to capture the audacious criminal, even if it means ripping society apart to do so. Now he stalked her through the ton, never realizing the lovely widow who captured his heart was the same woman who roused his most violent passions.

A love that defied king and country. . .

评论

文笔非常好的西曼。第一本列入非常喜欢的书。

嗯，情结紧凑？但那个年代不是我所爱

计划第九本外文小说就是它了。。目前已完成。

长夜迷情

很好

虽在百大西曼小说里位列第九，但并没惊艳到我，剧情一般，人设一般，悬念也不够，男女主之间感情变化缺少铺垫。整体三分。

书评

一部摄政时期罗曼史，有着那个时代诱人的衣香鬓影和幽暗隐秘，也有着通常人性，比如关于诈捐的精彩笔墨。基调和风格有些像电影《魔术师》，飘然隐去的结局都很相似，但人物情节更为复杂。
男女主角都有着不为人知的过去、都时时承受着旧日阴霾带来的伤痛，然而，不，绝没有自...
