Though he is professionally successful, the one life Morgan Spencer can't seem to set straight is his own. Behind his charming rebel facade is a need that drives him toward perfection--and emptiness. Morgan has been haunted for years by the tragic decision his first love made when they were still in high school, but everything changes for him when Jill Runyun reenters his life. And the news she shares will either set him free or bring him to his knees.

With her trademark dramatic storytelling, bestselling author Kristen Heitzmann portrays an enthralling journey of two wounded souls who are a led to a place of healing and restoration.
