Three centuries ago in Scotland a curse was born of the long-standing feud between the Claren and the MacKinnon clans. Now, generations later, destiny has decreed that three women, the last of the Claren line, be granted one final chance to set things right. Maggie, Cailean, and Delaney Claren are three cousins who grow up unaware of one another--until an inheritance brings them together. Now mysterious journals and the deed to an ancient Scottish castle will bring them face-to-face with the warriors at the heart of the MacKinnon family, three brothers sentenced to cruel fates by a terrible curse. Duncan is trapped in the form of a ghost, Rory must live an immortal life alone, and Alexander has been wrenched by time from the past to the present, with no way back. Ferociously compelling, dangerously relentless, they are bound by no mortal laws--except desire for the three Claren women. The journals speak of one key that can break the powerful spell. And finding that key will plunge them all into a world of unforeseeable danger and tantalizing desire....
