著者:Koji Suzuki

出版者:Dark Horse Books/Digital Manga Publishing

出版时间:2004-09-01

装帧:Paperback

isbn:9781593072155

Based on the first novel by Suzuki, "Rasen" (The Ring) is the real thing, telling the story as Suzuki originally intended. This psychological, scientific thriller features the masterfully smooth art of Sakura Mizuki, who translates the emotional expressions and tense moments with nearly perfect timing and touch. Find out why the world went crazy over The Ring in this true to form adaptation, the first of three based on Suzuki's novel series in our five volume set.
