A surprise visit from a dear old friend only adds to the joys of good weather, great fishing, warm breezes and loving family for J. W. Jackson this idyllic island summer. The ex-Boston cop is thrilled to see accomplished bluesman Corrie Appleyard strolling up his driveway, guitar case in hand. But days later, J.W.'s elation turns to dread when a rundown summer shack burns to the ground -- the latest in a string of suspicious fires. And when an unidentified corpse is discovered in the ashes, J. W. fears that the charred remains are Corrie's. Now twin obligations to friendship and the truth are leading him into an ugly morass of arson, extortion, secrets, and murder. And he'll go to the dangerous ends of paradise to bring a killer to justice -- because this outrage has slammed J. W. Jackson in the heart.
