出版者:Dover Publications

出版时间:2007-06-26

装帧:Paperback

isbn:9780486457932

The beloved author left behind two tantalizing unfinished novels: "The Watsons," which revisits Austen's customary milieu of courtship; and her last work, "Sanditon," a venture into new territory, amid guests at a seaside resort. More than literary curiosities, these stories are worthy of reading for pleasure as well as for study.
