She has caviar dreams on a SPAM budget! Trophy wife Darcy McDaniel has just discovered that, thanks to her embezzling husband, her posh, upper-class life has gone for good. Now she's trading her suburban palace for a trailer park and her weekly salon appointments for a job. Darcy needs a new man - fast - one who'll keep her in the manner she darn well deserves. Problem is, the hottest prospect around is the my-way-or-the-highway hunk who's making off with her beloved Mercedes. He doesn't want trouble...until she saunters in wearing high heels. Ex-cop turned repo man John Stark is sure that hiring the furious blonde in his headlights is a mistake. He knows Darcy's high-maintenance, designer-labels-only type - he's used to taking their cars after all. But he never expected this hellion to have the smarts to go from receptionist to repo agent in record time..or drive him mad with desire. She's the last thing this tall, dark and dangerous loner needs...and everything he never knew he wanted.
