Through a series of illustrated vignettes, Doodlebug Island chronicles the lives of the slightly off-centered folks who live on the island's scenic shores. Separated from the rest of Arizona by the waters of Oak Creek, Doodlebug Island provides a haven for the inhabitants and their eccentricities, which mix, clash and create a multitude of comical-and usually chaotic-situations. Written with a slightly acerbic but definitely humorous edge, Doodlebug Island challenges the status quo on a variety of issues and engages readers in the triumphs, trials and frustrations of its characters' daily lives.
