著者:James, Bill

出版者:Severn House Pub Ltd

出版时间:2006-7

装帧:HRD

isbn:9780727864383

With two entirely new Harpur and Iles stories, three more never-before-published together, plus a spicy little interlude with some crooks from the series and a fistful of other tales from the seamier side of life, this anthology is a must-read for fans of Bill James's dark, gritty thrillers.
