At Fort Reno, Indian Territory in 1878, Glory Halstead vows to be strong--and face her captor with the same pride and courage that had seen her through hardship and scandal. Two Arrows wants vengeance, and he intends to get it by making another man's woman his own. Yet as Captain David Krueger of the U.S. Calvary rides hard and fast with his troops to recapture the woman he loves and the Cheyenne he hates, Glory is losing her heart to a man, a people, and a new life. Now, Glory and Two Arrows will discover passion as unyielding as the land they are destined to tame. .
