Desperate Jack Doyle accepts a sketchy job which leads to a deadly game of fixing horse races and murder--of the four-legged kind.... One-time amateur boxer Jack Doyle, an irreverent and rebellious advertising account representative, goes to work one fine Chicago day and finds his desk--and his job--both gone. A two-time loser at the marriage game as well, Doyle, usually ultra-confident, fishes himself out of a bottle to take stock, realizing, "with a thumping finality, that Life sure as hell did have his number and was crunching it." At loose ends, Doyle accepts a most unusual offer from an acquaintance, Moe Kellman, "furrier to the Mob," to fix a horse race. The context of making the deal, a Cubs game at storied Wrigley Field, sets the tone for the drama that follows. Thus begins a chain of events that will lead the FBI to Doyle's door where they "coopt" him into a quest after people who are maiming or killing thoroughbred horses for their insurance values. Their number one target is a loathsome media mogul who can't bear to lose at anything. Built upon recent factual events, spiced with satire and peppered throughout with engaging loonies, Blind Switch is a noteworthy first novel with a hero forced to ask in its ultimate line, "Where have I gone right?"
