出版时间:2003-9

装帧:Paper

isbn:9780743227568

Can one animal save the world? So asks Richard Bach, bestselling author of "Jonathan Livingston Seagull" and "The Ferret Chronicles." This moving fable about the almost-end of a civilization and the profound issues it raises -- that of war and peace, life and death, revenge and forgiveness, guilt and innocence -- is a timely tale of timeless themes sure to resonate with anyone concerned about the present state of the world.
